Kevin, Hope all is well and that you've had a great week!! I saw your article about the State Rep race. In it you say that I "had not voiced intentions to pursue the seat prior to that statement". That's actually not accurate. Several years ago, I met with Carmine and told him that I wanted to run for his seat when he retires. Since then he has been positioning Ravi for the role. I would appreciate it if you would take that sentence out of your article. There are also other people in town who knew that I had interest in the State Rep seat.

Thanks so much and enjoy the rest of the week!!

Lisa
